SENATOR MAURSTAD: Madam President, I would move to adopt the E & R amendments.

PRESIDENT ROBAK: Is there any discussion? Seeing none, the question before you is the adoption of the E & R amendments to LB 288. All those in favor say aye. All those opposed nay. The amendments are adopted.

CLERK: Senator Lynch would move to amend the bill. (AM0333 appears on page 776 of the Legislative Journal.)

PRESIDENT ROBAK: The Chair recognizes Senator Lynch.

SENATOR LYNCH: Madam Chairman and members, the amendment I would like to introduce for your consideration is found on page 776 of the Journal. What it simply says is, the trust property affected is legally described as follows, and then adds some language. This was suggested by Senator Bromm, and I agree with it. It would provide in the bill some language that would clarify exactly a procedure, a procedure that we should follow exactly to make the bill work that much better and to help in the Register of Deeds offices this responsibility to be carried out in a uniform way across the state. I would yield any other time I have to Senator Bromm. if he would like it.

PRESIDENT ROBAK: Thank you, Senator Lynch. Senator Bromm.

SENATOR BROMM: Just very briefly. I want to thank Senator Lynch for bringing the amendment. I think it just adds the clarification that we needed and support the amendment and support the bill. Thank you.
